

# Good Things are Happening at Northgate!

## YOU ASKED FOR IT. WE HEARD YOU!

In the Northgate Area Comprehensive Plan, the community asked for increased pedestrian circulation and improved street-level environment. \*Policy 8

## THE CITY PROPOSES...

With improved pedestrian circulation and improved streetscape, Northgate will become a more inviting pedestrian environment.

### 5th Ave. NE Street Improvements, (Phase I)

By improving the Avenue's aesthetics and surrounding environment, this project will change 5th Ave. NE between NE 100th St. and Northgate Way, from an arterial with an emphasis on cars, to a pedestrian-friendly corridor. The project will widen sidewalks, add street trees, define street crossings, relocate two bus stops and improve shelters. These improvements will increase opportunities for pedestrian movement between the community and key destinations, such as the new library and community center.
